Forecast for Thursday 23 Sep 2021

Weather: A dry start with some sunshine. Then low cloud spreading from the northwest in the morning, persisting for the rest of daylight hours. Cloud occasionally thick enough to give a little light rain. Dry weather and clearing skies will spread from the west in the evening.

Chance of cloud free mountain/hill tops above 700m: 30%

Visibility: A lot of low cloud down to 500 to 700 metres developing through the morning leading to poor visibility at height through the afternoon. Best chance of any breaks first thing in the morning and again after dark.
